

Bug Report 1

Ads(web application)

Summary: Ads ID 99/ Profil candidate Marko Rapajic shows error message 500

Condition: logged in as a recruiter

Priority: Medium **Severity:** Medium

Steps to reproduce:

1. Find the ID-99 and click on Matches
2. Click on the button Profil kandidata Marko Rapajic

Expected result: User profile is visible after clicking on 'Profile candidate'

Actual result: After clicking on the button profile candidate Marko Rapajic, an error message appears. ERROR 500

Bug report 002: After uploading 10 photos, 4 photos are displayed, but on the 4th photo a part of coding has been shown instead of +6 more photos

Precondition: logged in as a recruiter and already on Home page

Priority: Medium	Severity: Low
STEPS TO REPRODUCE:	EXPECTED RESULT
1. Click on 'Matchat'	After uploading 10 photos max, 4 photos should be visible on 'Chat field' and on the 4th photo should appear +6 photos more
2. Choose user chat field; whichever, click on + to the left of the message field and select 10 photos	ACTUAL RESULT
3. Click on the arrow 'send' to the right of the message field	
	After uploading 10 photos max, 4 photos are displayed and on the 4th photo a part of code is visible to the user. Find it below on the screen shot.
